

CSI Securities **Creative Investment,** **Building Financial Freedom**

Released October 2024

Our Foundation

Since the establishment in 2008, Vietnam Construction Securities JSC. (CSI) has left a strong mark with its clients and partners, not only in the domestic market but also internationally. CSI serves as a crucial investment bridge, facilitating the inflow of foreign capital into the Vietnamese market, particularly from major Chinese-speaking markets such as China, Taiwan, Singapore, and Hong Kong....

Our Foundation

Vision

CSI aims to make investment a **daily habit**, bringing investment closer to everyone, from beginners to those seeking **financial freedom**.

Mission

Follow the motto of "**Building Financial Freedom**", CSI is committed to accompanying investors on their journey to build a financial future, providing innovative and optimized financial solutions.

Core value

Connect: Create financial solutions that align with trends and needs.

Support: Share knowledge and information to build a sustainable investment community.

Impact: Make a lasting impact through advancements in technology, services, and personalized investment journeys.

Our Foundation

With a strategic direction focused on **optimal creative development** and construction, CSI customizes its investment services and products to cater to a wide range of clients, addressing the challenges faced by both institutional and individual investors.

CSI has been providing a full suite of essential financial services to its clients, including leading companies and corporations across the country. With a long-term vision, CSI will continuously enhance its capabilities and accelerate the development of large-scale projects with international scope.

Our Foundation

After nearly 20 years of operation, CSI firmly believes that each individual has the ability to **design their own financial journey**, and CSI is ready to accompany clients in making that a reality. Through the power of community connection, knowledge sharing, and modern technology, CSI empowers clients to **confidently and proactively** take charge of their investment path.

Licensed and operating under the supervision of the State Securities Commission of Vietnam, ensuring full credibility and transparency.

1

Our experienced professional team and system are fully equipped to serve in multiple languages, including Vietnamese, English, Simplified Chinese, and Traditional Chinese, completely eliminating language barriers.
